5. (Unclassified - GLC) [redacted] DDI Graphics, and I went to Senator Ellender's office today and [redacted] inspected the rather unique world map which Senator Ellender has on his wall and which he asked the Director if we could duplicate. The map was printed by Army Map Service in 1944 on the basis of a map from African sources and has long since been out of print. [redacted] is looking into various possibilities for accommodating the Senator's request and will be back in touch with us. 25X1 25X1 25X1

7. (Confidential - GLC) Checked with George Murphy, Joint Committee on Atomic Energy staff, concerning the Director's briefing of the Committee at 2 p.m. on 13 June. Murphy said this was still a firm date with the Committee and agreed with our approach to brief the Committee on Soviet nuclear weapons delivery systems and to be prepared to update any other areas which were covered by the Director in his February briefing. Murphy mentioned the Director should also expect to be questioned about certain aspects of the SALT agreement. All of the above has been passed to [redacted] 25X1
